Ms. Lisa Hart (Transp. Planning)
Mr. Casey Lewis (Transp. Planning)

At the regularly scheduled meeting of the Technical Advisory Committee (TAC) January 20, 2026 at 10:00 A.M. Intermodal Bus Facility Conference Room 495 Molton Street Montgomery Alabama 36104.

Agenda Item 2: Quorum Assessment: Yes 10 members present, 2 Proxies

Agenda Item 3: Guest(s): Mr. Vincent Pagano and Mr. Jeff Elsey with Kimley Horn

Agenda Item 4: Minutes from the Previous TAC Meeting (Action Item) A motion was made by Mr. Paxton to adopt and accept the minutes from the previous meeting; following a second by Mr. Tensley. Therefore, the agenda item passed unanimously and without any further discussion.

Agenda Item 5: FY 2024-2027 Montgomery MPO TIP Amendment(s) (Action Item)

- Page 2: A State of Alabama Project for Interstate: I-85 additional lanes from the end of the six lanes at Taylor Road/SR-271 to just south of Jenkins Creek (BIN 9004 9005 9006 9007) (Construction from 4 lanes to 6 lanes). 2.75 miles (4.42

km), approximately. The funding source will be National Highway System Funds (NH) The Federal Funds will cover \$67,872,000 State Match \$16,968,000 Total Funds \$84,840,000. **(Project was originally approved by the MPO on July 17, 2025. Project was originally. This amendment is for a new engineers cost estimate that increase project from \$69,349,630(55,479,704 federal share and \$13,869,926 local match) to \$84,840,000 (\$67,872,000 federal match and \$16,968,000ST). This is a total project cost of\$15,490,370(\$12,392,296 increase in federal match and \$3,098,074 increase in state match).**

- Page 3: A State of Alabama project for Resurface and Guardrail Reset for Steel Block outs on SR-8 (US-80) from Felder Road to I-65 in Montgomery. A distance of 4.9 miles (7.89km) approximately. The funding source will be National Highway System Funds (NH). The Federal Funds will cover \$6,454,735 State Match \$1,613,684 Total Funds \$8,068,419. **(This is a total cost increase of \$2,190,967 on this federal maintenance project. Old cost estimate was \$5,877,452 total cost (\$4,701,961 federal share and \$1,175,490 state match). The new cost estimate is \$8,068,419 (\$6,454,735 federal share \$1,613,684 state match).**
- Page 4: A State of Alabama project for Micro surface SR-293 from SR-110 to SR-126 In Montgomery. 2.38 miles (3.83 km), approximately. The funding source will be Surface Transportation Any Area Funds. The Federal funds will cover \$431,010 State Match \$115,253 Total Funds \$546,263. **(This is a cost increase from old engineer's estimate of \$293,643.00 (\$234,914 federal match and \$58,729 local match) to new cost estimate totaling \$546,263. Total cost increase of \$252,620 (\$202,096 increase in federal match and \$50,524 increase in state match).**
- Page 5: An Autauga County project for Widening, Northbound On/Off Ramps and South bounds Ramps on I-65 Exit 186 (SR-3/US-31). 0.88 miles (1.416km), approximately total distance. The funding source National Highway System Funds (NH). The Federal funds will cover \$120,000 Local Match \$30,000 Total Funds \$150,000. (PE Work)
- Page 6: An Autauga County project for Widening, Northbound On/Off Ramps and South bound on/Off Ramps on I-65 at Exit 186 (SR-3/US-31. 0.88 mi (1.416 km), approximately. The funding source will be National Highway System Funds (NH) The Federal funds will cover \$5,520,000 Local Match \$1,380,000 Total Funds \$6,900,000.
- Page 7: A State of Alabama project for I-85 Additional Lanes from the End of the Six Lanes at Taylor Road (SR-271) to just South of Jenkins Creek (BIN 9004 9005 9006 9007). 1.7 mi (2.74 km), approximately. The funding source will be National Highway System Funds. The Federal funds will cover \$800,000 State Match \$200,000 Total Funds \$1,000,000. **(This is a \$906,814.30 total cost increase from \$93,185.70 to \$1,000.00.**
- Page 8: A Montgomery County project for Widening and resurfacing Gibson/Goodwyn Roads (CR-70) From Mount Zion Road to SR-53 (US-231). A 4.25 mi (6.83 km), approximately. The Funding Source will be Surface Transportation Program Maintenance Funds. The Federal funds will cover \$736,963 Local Match \$184,241 Total Funds \$921,204. **(This project combines**

projects #100077539 and #100077540 into one project. Project #100077539 was for a total of \$463,021 and was to widen and resurface Gibson Road (CR70) from Mt. Zion Road (CR)-39 to Woodley Road. The \$463,021 is added to 100077527's \$458,183 cost for total cost of \$921,204.

- Page 9: A Montgomery County project for Resurfacing on Trotman Road (CR-22) From Woodley Road (CR-39) to SR-6 (US-231). 2.57 mi (4.14 km). The funding source will be Surface Transportation Program Maintenance Funds. The Federal funds will cover \$559,245 Local Match \$139,782 Total funds \$699,027. **This is a total project cost increase of \$247,673.000 (\$198,138,00 federal share and \$49,535.00 local match). Cost increase from \$451,354.00 to \$699,027. Old engineer's cost estimate was \$451,354 total (\$361,083 federal share and \$90,271 local match).**
- Page 10: A Town of Pike Road project for Wallahatchie Nature Trail, Phase 3; distance of 1.0 miles. The funding source will be MPO Transportation Alternative Program (TAPMN) Funds. The Federal funds will cover \$622,241 Local Match \$223,374 Total Funds \$846,115. **(This TAP project was approved in July 2025. This amendment corrects the funding costs.**
- Page 11: A Town of Pike Road project for Intersections Improvements at Wallahatchie Road at Pike Road. The funding source will be Surface Transportation Program Maintenance Funds (STPMN). The Federal funds will cover \$360,000 Local Match \$90,000 Total funds \$450,000. **(Project Cost Increase due to revised engineer's estimate on PE. This is \$291,250 total cost increase from \$158,780.**
- Page 12: A Town of Pike Road project Intersection Improvements at Wallahatchie Road The Funding Source will be Surface Transportation Program Maintenance Funds (STPMN). The federal funds will cover \$600,000 Local Match will cover \$150,000 and Total Funds \$750,000. **(Proposed cost increase due to revised engineers's estimate on existing authorized UT from \$350,000 to \$750,000 total cost. This is a \$400,000 increase.**
- Page 13: A Town of Pike Road project for Intersection Improvements at Wallahatchie Road at Pike Road. The funding source will be Surface Transportation Program Maintenance Funds (STPMN). The Federal Funds will cover \$3,360,000 Local Match \$840,000 Total funds \$4,200,000. **Proposed cost increase on CN due to revised engineer's estimate from \$2,800,000 to \$4,200,000 total cost. This is a \$1,400,000**

After the discussion of the TIP Amendment Project a motion was made by Mr. Rigsby and following a second by Mr. Ellzey. Therefore, the agenda item passed unanimously and without any further discussion.

Agenda Item 6: Final Draft of Bicycle-Pedestrian Plan Update (Kimley-Horn) Information Only
(Vincent Pagano)

The original 2019 plan stated six goals to serve the Montgomery MPO region and improve walkability and bike ability in local communities. Those goals still apply today.

- **INFRASTRUCTURE: A. Building and maintaining a connected network. B. Consistent bike and pedestrian facility inventory. C. Facility designs that serve all ages and abilities**
- **SAFETY: A. Designing safer streets for everyone B. Fewer crashes on roadways and at intersections. C. Proactive design fixes.**
- **USAGE: A. More people walking and biking B. Increase in walking and biking commutes C. Increase in local trips by foot or bike.**

- **EDUCATION & ENCOURAGEMENT: A. Building a culture of walking and biking B. Residents engaged in safety education and planning efforts C. Active advocacy groups regionwide.**
- **FUNDING: A. Prioritize funding for bike/pedestrian improvements B. Dedicated resources for staff, planning, and projects C. Reduced household transportation costs**
- **ENVIRONMENT & HEALTH: A. Connecting people and places with parks and open space B. Increased bike and pedestrian connections to green space**

After the review of the Bicycle Pedestrian Plan a motion was made by Mr. Tensley to adopt and accept the new plan, following a second by Mr. Ellzey. The agenda item passed unanimously and without any further discussion.
